Mobile Roaming Rates: Terms & Conditions.

- › \$10 / day, daily roaming rate applies to the first 200MB of data usage in qualifying destinations.
- › Each day period calculated from 12:00 AM NZ Time through to 23:59 NZ Time.
- › New Zealand rates do not apply when roaming.
- › The charges that apply to roaming services are in addition to any other charges which apply to your mobile plan.
- › All roaming charges are listed in New Zealand currency and do not attract GST.
- › Charges listed for incoming and outgoing calls while roaming are charged per minute (you pay the full minute rate for each minute or part minute).
- › Texts are charged per text (160-character limit per text message).
- › Data roaming is charged in 10kb increments; when roaming, MMS messages are charged at the standard data roaming rate for the zone you are in.
- › To retrieve a voicemail while overseas you will be charged the standard per minute rate for an outgoing call in the zone you are in.
